SUBJECT : Qualification Standards for Faculty Members Handling Public Safety Courses (Police Subjects)

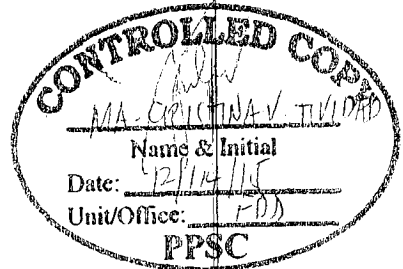

Date : 10 December 2015

1. The PPSC being the premier educational and training institution for law enforcement/public safety sector is committed to provide quality education and training to its clientele through instructional competence. As such, there is a need to accelerate the qualification standards for faculty members to ensure that they can deliver the desired knowledge and skills needed by the students. In order to fully realize this, we are furnishing you a copy of the Qualification Standards for Faculty Members handling Public Safety Courses on Police Subjects for reference/implementation.

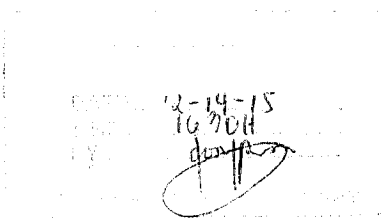

2. Please be guided accordingly.
