

**23,000 TO TAKE PHILIPPINE NATIONAL POLICE ACADEMY CADET ADMISSION TEST
(PNPACAT) 2012**

Camp General Mariano N Castañeda, Silang, Cavite, PCSUPT/ATTY CLARENCE V GUINTO, Director, PNPA announces the upcoming Philippine National Police Academy Cadet Admission Test (PNPACAT) this coming Sunday, October 28, 2012.

To date, around twenty three thousand (23,000) qualified applicants are expected to troop to twenty-nine (29) designated test centers nationwide to take the highly competitive examination. Successful passers shall undergo the succeeding phases of the selection process for the PNPA cadetship program, which include, among others, the medical/dental examination and neuro-psychiatric tests. Of the thousands of applicants, less than 500 shall be taken in to enjoy a full scholarship for four years leading to Bachelor of Science in Public Safety.

The PNPACAT is one of the most anticipated examinations offered by the government to attract the best and brightest high school graduates who desire a career for police, fire or jail officers. PNPA cadets are groomed as future public safety officers/leaders and are conferred the rank of Inspector upon graduation.

PCSUPT Guinto reiterated his instruction and guidance to concerned PNPA staff members and cadets who will serve as Chief Examiners and Proctors to ensure the utmost security and integrity of the examination process.

Media personnel will be invited to cover on air the opening of the examination papers, in the presence of a priest, two witnesses, one examinee, Chiefs of Office/Regional Training Director on the day of examination. They are to assist vigilantly and watch closely in the distribution of packets of examination papers to designated room assignment.

During the printing and storage of test materials, close monitoring of PNPA Personnel and guards on a twenty four (24) hours has been provided to ensure that there will be no leakage.

These measures ensure the credibility of test materials that would help screen the future public safety officers of the land.
